

*Where Families Stay Together*

Should be 2022

February 7, 2021

Dear Kyril and Northway Bank Employees,

Thank you for the generous gift to Belknap House, raised through your participation in the “Spirit of Holiday Giving”. Your gift supports our work with families in crises. After parents arrive and become settled, feelings of relief follow – most parents share the same sentiment – “Being in place where I know my children are safe, helps me literally breathe better, it is such a relief. It gives me the ability to focus on what I need to do next, to get our family on a better path.”

Our shelter programs work directly toward empowering parents who become homeless, which not only creates family stability and self-sufficiency, but it helps renew their confidence. This in turn strengthens the communities they enter. In a collaborative effort, parents work with case management and agency partners to develop individual goals, based upon housing history and financial barriers. The process that follows is hard work and becomes a helping hand-up, not a hand-out. The ultimate goals - families acquire transitional or permanent housing and become better parents because they feel better about themselves.

As uncertain times continue, we remain optimistic and confident. Providing shelter and services to families, while maintaining safety measures for them and staff, is the priority. Maintaining financial sustainability is as critical a component. It takes a village, teamwork and the spirit of generosity.

We are immensely grateful for your gift to Belknap House, and your investment in homeless families.

Sincerely,

Paula Ferenc

Dear Vikki,

Thank you so much for your support as a sponsor for our 14th annual Jen's Friends Golf Tournament which was held on a rather rainy June 9<sup>th</sup>. Our two local golf courses, Hales Location and Wentworth Golf Course stepped up to host our 168 golfers for a day of friendly competition. Not to be outdone our "third" local course, Pirates Cove hosted a fun mini golf adventure on June 3<sup>rd</sup>. Through your generosity and the combined efforts from all three of these courses we were able to raise close to \$53,000.00! The most we have raised with golf, ever. The weather sure was different and at times it felt more like the Noah's Ark Open yet golfers and volunteers alike took it in stride and never dampened the spirit of the day.

This money stays in our valley to help our friends and neighbors dealing with a cancer diagnosis. By providing financial assistance in the form of groceries, gas cards, utilities, and other necessary living expenses, it is our hope these families can concentrate on their health and getting through the treatments and side effects of cancer that affect both the patients and their families. The money raised through our golf adventures will cover 2 months' worth of expenses for the 76 families we are currently assisting.

Jen's Friends is a 100% all volunteer, nonprofit 501c3 organization, and this is to affirm that you received no goods or services in exchange for your financial support. Please find your contribution and our tax id number listed below.
