| Details             | These services allow you to keep track of your balance to ensure that you're always on top of what is going on in your account.  | This is an overdraft line of credit attached to your Northway checking account. If you accidently overdraw your account you won't be hit with overdraft fees or the expense of returned checks or items. The line of credit will cover your checks up to the credit available until your next deposit. | Allows you to set up a transfer between your checking account and another account. As long as there is a sufficient balance in your attached account, it will automatically transfer funds to cover any overdraft transaction in your checking account. | For qualified customers,<br>Overdraft Protection gives<br>you peace of mind so you<br>don't have to worry about<br>your checks and other<br>payments being returned.  | The Bank will not authorize and pay overdrafts for everyday debit card and ATM transactions unless you have instructed us to do so (for personal accounts only). You may choose to apply this protection to purchases made with your debit card and withdrawals made at the ATM.  |
| Fees                | None. Check with your wireless service provider for any details on it's fees and charges.  | Pay interest monthly on the outstanding balance.   | <ul> <li>No fee unless service is used</li> <li>\$7 sweep fee per transfer</li> </ul>   | <ul> <li>No fee unless service is used</li> <li>No fee if your account is overdrawn by \$5 or less or the item is \$5 or less</li> <li>\$32 for each overdraft (item paid) or non-sufficient fund ("NSF") (item returned).
